#### NEED FOR THE RULE(S):

In the 2019 legislative session House Bill 2059 authorizes the increase of food safety program license fees by 3% annually through the year 2025. The program relies on a combination of general funds and other funds to support the program. The fee increase is needed to maintain the program at its current levels of service beyond the current biennium.

---

#### DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE:

none

---

#### FISCAL AND ECONOMIC IMPACT:

The effect on other funds revenues for the 2019-2020 biennium is an increase of \$107,223 in other funds for the program.

A list of the licenses effected are: Retail Food Establishment, Food Storage Warehouse, Food Processing Establishment, Farm Mixed-Type Facility, Domestic Kitchen Bakery, Dairy Products Plant, Mobile Milk Tanker, Fluid Milk: Sampler-Grader, Fluid Milk: Grade A producer-distributor, Fluid Milk: Distributor, Fluid Milk: Grade A nonprocessing distributor, Fluid Milk: Producer, Bakery, Bakery Distributor, Domestic Kitchen Bakery, Non-Alcoholic Beverage License, Animal Food Processing Establishment, Meat Seller Establishment, Slaughterhouse and Custom Slaughtering Establishment, Non-slaughtering processing establishment, Custom Stationary & Mobile Slaughtering Establishment, Custom Meat Processor, Prepackaged Meat Seller, Refrigerated Locker Plant, and Egg Handler's License.

#### COST OF COMPLIANCE:

*(1) Identify any state agencies, units of local government, and members of the public likely to be economically affected by the rule(s). (2) Effect on Small Businesses: (a) Estimate the number and type of small businesses subject to the rule(s); (b) Describe the expected reporting, recordkeeping and administrative activities and cost required to comply with the rule(s); (c) Estimate the cost of professional services, equipment supplies, labor and increased administration required to comply with the rule(s).*

(1) Identify any state agencies, units of local government, and members of the public likely to be economically affected by the rule(s). (2) Effect on Small Businesses: (a) Estimate the number and type of small businesses subject to the rule(s); (b)

Describe the

expected reporting, recordkeeping and administrative activities and cost required to comply with the rule(s); (c)

Estimate the cost

of professional services, equipment supplies, labor and increased administration required to comply with the rule(s).

1. Impact on state agencies, units of local government and the public (ORS 183.335(2)(b)(E)): minimal. This rule provides increased revenue to the Oregon Department of Agriculture to support the program and maintain the current level of service provided.

2. Cost of compliance effect on small business (ORS 183.336): Minimal.

a. Estimate the number of small businesses and types of business and industries with small businesses subject to the rule:

The Food Safety Program issues approximately 12,000 licenses per year; of those, an estimated 10,000 licenses will be subject to the proposed increase in license fees. The cost of the fee increases varies based on the type of license and the gross annual sales of the firm, and ranges from \$1 to \$52 annually.

b. Projected reporting, record keeping and other administrative activities required for compliance, including costs of professional services: No additional record keeping or reporting is anticipated as a result of this rulemaking.

c. Equipment, supplies, labor and increased administration required for compliance: No additional equipment, supplies, labor or increased administration costs are anticipated as a result of this rulemaking.

---

DESCRIBE HOW SMALL BUSINESSES WERE INVOLVED IN THE DEVELOPMENT OF THESE RULE(S):

The food safety program has a standing advisory committee that includes members from industry and small business representation. The standing committee were involved in the development of these rules.
